- c) Freight accepted and then returned to the customer per this request will be subject to an administrative fee.

RULE 11: LIMITATIONS OF LIABILITY – PASSENGERS

Liability in the case of death or bodily injury of a passenger

- a) The liability of the carrier in respect of the death of, or injury to, a passenger is limited to the sum of \$300,000 CAD.
- b) In no cases shall the carrier's liability exceed the actual loss suffered by the passenger. All claims are subject to proof of amount of loss.
- c) The carrier is not liable:
 - In the case of any passenger whose age or mental or physical condition, including pregnancy, presents a risk or hazard, for any damages sustained by that passenger that would not have been sustained but for his/her age or mental or physical condition; or
 - In the case of a pregnant passenger, for any damages in respect of the unborn child of that passenger.

RULE 12: LIMITATIONS OF LIABILITY – BAGGAGE OR GOODS

The carrier is liable for damages sustained in the case of destruction or loss of, damage to, or delay of checked or unchecked baggage as set out in the following paragraphs:

- a) The liability of the carrier is limited to approximately \$2,400 CAD (or 1,288 SRD's – special drawing rights) per person, per incident upon submission of receipts. However, the limit will not apply:
 - i. If it is proven that the damage resulted from an act or omission of the carrier, its servants or agents, done with intent to cause damage or recklessly and with knowledge that damage would probably result; provided that, in case of such act or omission of a servant or agent, it is also proved that such servant or agent was performing services for the carrier in furtherance of the contract of carriage.
- b) If the carrier proves that the damage was caused or contributed to by the negligence or other wrongful act or omission of the person claiming compensation, or the person from whom he or she derives his or her rights, the carrier shall be wholly or partly exonerated from its liability to the claimant to the extent that such negligence or wrongful act or omission caused or contributed to the damage. Unless the passenger proves otherwise:
 - i. All baggage checked by the passenger will be considered to be the property of that passenger.
 - ii. A particular piece of baggage, checked or unchecked, will not be considered to be the property of more than one person.
 - iii. Unchecked baggage, including personal items, will be considered to be property of the passenger who is in possession of the baggage at the time of embarkation.

Mobility aids

Note: Notwithstanding the normal carrier liability as contained in this rule, the limit of liability will be waived for claims involving the loss of, damage to, or delay in delivery of mobility aids, when such items have been accepted as checked baggage or otherwise. In the event that a mobility aid is lost or damaged, compensation is to be based on the cost of the repair or replacement value of the mobility aid.

In the event that a mobility aid is lost or damaged:

- i. The air carrier will promptly provide a suitable temporary replacement without charge;

- ii. If a damaged aid can be repaired, in addition to (a) above, the air carrier will arrange, at its expense, for the prompt and adequate repair of the aid and return it to the passenger as soon as possible;
- iii. If a damaged aid cannot be repaired or is lost (not located within 21 days from the date the bag was to be received), the carrier will in addition to (a) above, replace it with an identical aid satisfactory to the passenger, or reimburse the passenger for the replacement cost of the aid.

a) Exclusions From Liability Respecting Goods

Unless caused by its negligence, carrier will not be liable for any differences in weight or quantity of goods from shrinkage, leakage, or evaporation, or for loss or damage to goods occurring after the expiration of forty-eight (48) hours (exclusive of statutory or customary holidays) from the time of verbal or written notice of the arrival of the goods to the consignee at the destination, airport, or landing area.

Carrier will not be liable for loss of, or damage to, any goods caused or contributed to by:

- ii. the act or default of charterer, consignee or owner;
- iii. the nature of the goods, or any defect, characteristic, or inherent vice thereof;
- iv. violation by charterer, consignee, or any other party claiming an interest in the goods, of any of the rules contained in this tariff or in any other applicable tariff including, but without being limited to, failure to observe any of the rules relating to goods not acceptable for transportation of goods acceptable under certain conditions;
- v. improper or insufficient packing, securing, marking or addressing;
- vi. acts or omissions of warehouseman, Customs or quarantine officials, or other persons other than carrier or its agents, in gaining lawful or unlawful possession of the goods; or
- vii. compliance with delivery instructions for charterer or consignee.

Carrier will not be liable for loss, damage, deterioration, destruction, theft, pilferage, delay, default, misdelivery, non-delivery, or any other result not caused by the actual negligence of itself, its agent, servant, or representative

acting within the scope of their authority, or not occurring on its own line or its own service, or for any act, default, negligence, failure or omission of any other carrier or any other transportation organization.

The carrier is not liable for damage caused by contents of the passenger's baggage. Any passenger whose property causes damage to another passenger's baggage or to the property of the carrier will compensate the carrier for all losses and expenses it incurs as a result.

The carrier does not permit valuables to be contained within passenger checked baggage and/or other goods such as money, credit cards, jewelry, electronics (such as cameras), dinnerware, business or legal documents. Such items must be carried with the passenger into the passenger cabin (if applicable). This list is not exhaustive.

b) Time Limitations on Claims and Actions

1. No action will be taken against the carrier in case of loss or delay in the delivery of checked and unchecked baggage unless the passenger complains in writing to the carrier within:
 - i. 21 days from the date on which the baggage has been placed at the passenger's disposal (in the case of delay); or,
 - ii. 21 days from the date on which the baggage should have been placed at the passenger's disposal (in the case of loss).
2. In the case of damage to checked baggage, the passenger must complain to the carrier immediately upon arrival, or within 7 days from receipt of the baggage.

3. Any claim against a carrier will be extinguished unless an action is brought within one year reckoned from the date of arrival at the destination, or from the date on which the aircraft ought to have arrived, or from the date on which the carriage stopped. For baggage claims, reimbursement for expenses will be based upon acceptable proof of claim.

c) Gratuitous Transportation

- c)** When the maximum payload of the substituted aircraft is smaller than the maximum payload of the original aircraft chartered, charges will be based on the rates and charges applicable to the type of substituted aircraft.

RULE 15: PAYMENT REQUIREMENTS

- a)** Payments for a charter flight made to any person to whom the carrier, directly or indirectly, has paid a commission or has agreed to pay a commission with respect to such flight, shall be considered payment to the carrier.
- b)** Payment for a charter flight must be made to a representative to the carrier prior to the commencement of the flight, unless the charterer has an approved account with the carrier.
- c)** Split Charters: The carrier will charter to one charterer only at one time and will not permit the resale of space at a toll per unit, but when charterer and persons other than carrier wish to use the aircraft jointly, the carrier, if requested by charterer, may accept payment of the charter charges from charterer and such other persons on any basis or apportionment agreed to between the parties.

RULE 19: DENIED BOARDING AND COMPENSATION

- a)** The Carrier strives to clearly state the capacity of its charter aircraft at the time of booking. In the event a charter client or passenger is denied boarding due to aircraft weight restrictions or other reasons beyond our control, The Carrier will make every effort to provide suitable, alternative transportation.
- b)** The Carrier reserves the right to deny boarding or transport to any person in order to comply with space and/or weight limitations or for prohibited conduct or behavior that may, in the carrier's reasonable judgement, have a negative effect on the safety comfort or health of the person, the carrier's employees, or aircraft.
- c)** If a charter client is denied boarding due to prohibited conduct or behavior:
- i.** The full cost of any additional or alternative transportation provided to the charter client will be the client's responsibility;
